

Bib pickup: Friday, May 28
Race date: Saturday, May 29, 2027

In « Ado-Race » the word « Race » matters, since it means a race. A race has a performance goal: physical, timed, and technical. We insist on this, so the teens need to « run » for almost the entire course (some climbs can be steep or technical)! The course is a « real » trail course, so it's demanding, and you need to be used to steep, and depending on the weather, slippery paths!

Key dates to remember:

- **15 April** : deadline for reselling and transferring your bib
