Bib pickup: Friday, May 28
Race date: Saturday, May 29, 2027

The tOur of Lake Annecy takes place through the mountains, on forest trails. Water points will be available in some valleys, but no water resupply will be provided in mountainous areas. ***Semi-autonomy*** *is therefore mandatory.*
The tOur of the lake over 2 days will not be a 100% identical course to the one-day tOur of the lake. On the first day, you will run the same course as the one-day tOur of the lake. On the second day, however, you will run the Half-tOur of the lake course, which is why the distance is greater than for the one-day tOur of the lake.

Registration and key dates

- **1st to 7 October: pre-registration** with credit card authorization – the registration fee will only be charged if you are selected
- **8 to 10 October: runner selection**. To confirm your registration, you don't need to do anything; you will be notified and charged directly via your card. Registration is non-refundable (see full rules).
